JAWAHAR FOUNDATION

An Initiative by Riju Jhunhunwala

From the desk of Riju Jhujhunwala

Dear Friends,

*I would like to thank all of you from the bottom of my heart for the appreciation and support you have shown to my initiative in "**Jawahar Foundation**". It has motivated me further in my purpose to strive with increased momentum. In pursuing this mission, I will ensure that one day both Ajmer and Bhilwara shall be self-reliant in all areas of life when compared to the best smart cities in India. During the pandemic our prime focus in the past two to three months has been towards providing health and support to the affected families by setting up oxygen pipelines, oxygen plants, Covid Care Wards, distribution of food packets, masks and sanitizers.*

This month also, we have continued our efforts in raising awareness about Covid, such as, educating our fellow countrymen that the pandemic is not yet over and that all Covid-19 protocols need to be maintained in spite of having taken the vaccination. Accordingly, this newsletter captures "no mask no entry campaign", felicitation of our Covid warriors, in order to stay motivated and inspire others to do their bit without losing hope in this battle.

I feel all of us should come forward and help the needy in whatever capacity we can. With this thought in mind, we have launched the website of the foundation, www.jawaharfoundation.com. Let us count our blessings and help others who are less fortunate and privileged.

Founder - Jawahar Foundation

Health & Sanitization

Covid -19 has been an eye opener for all of us and has re-iterated the importance of health and sanitization in our life. Jawahar Foundation will leave no stone unturned to ensure that people of Ajmer and Bhilwara receive all sorts of medical aid as far as possible.

Food Security

This is the basic right of every living being on Earth and Jawahar Foundation shall make sure food for all by providing meals to the needy in ₹1.

Education

Scholarship schemes for students shall be launched by Jawahar foundation which shall not only be limited to academics but sports as well.

Employment Generation

We will bring an industrial revolution and generate jobs in Ajmer and Bhilwara so that people earn their living in their city itself. We shall be setting up industries and promoting entrepreneurship through skill learning centers.

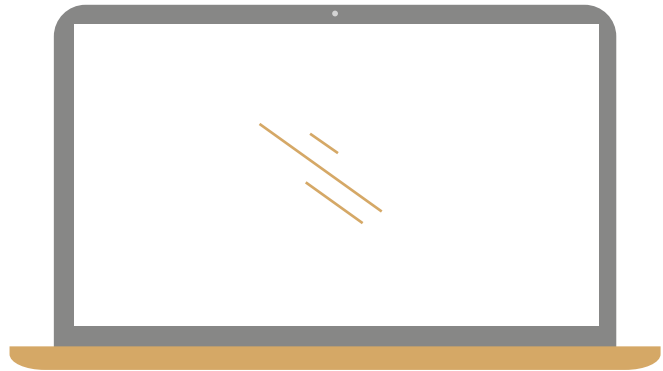

Water Availability

There shall be no need to send water tankers in few years from now and the same shall be planned through rain water harvesting, water treatment plants and check dams.

Website of Jawahar Foundation Launched

It gives us immense pleasure to share with you that we have launched our website in this month. Now you can also join the movement and support us by logging on to www.jawaharfoundation.com.

Jawahar Vaarta- Our Bi-Weekly Video Magazine

Getting updates on activities done by Jawahar Foundation has now become easier as we have launched our bi-weekly video magazine called Jawahar Vaarta on YouTube. We have released 4 episodes as of now. In case you have missed it, please visit and subscribe to our channel and drop in your suggestions.

“No Mask No Entry” Campaign

As a part of Covid-19 awareness campaign, Jawahar Foundation installed 1500 “No Mask No Entry” boards at various public places and government offices in Ajmer and Bhilwara. The inauguration of the campaign was done by the Health Minister of Rajasthan, Dr. Raghu Sharma.

 Ajmer & Bhilwara, Rajasthan

Felicitation of Covid-19 Warriors

Covid-19 warriors have been the support system of our country in this pandemic. They have been working continuously to keep us safe while risking their own lives. Jawahar Foundation distributed appreciation certificates as a token of thanks to our Corona warriors.

 Ajmer, Rajasthan

Distribution of Ration Kits And Food Packets

Jawahar Foundation distributed 500 dry ration kits, food packets to the needy people. Apart from this, through government project “Indira Rasoi” we have contributed for 22,000 food packets for Covid patients.

 Bhilwara, Rajasthan

Commissioning of Tubewell at Pushkar Sarovar

Pushkar lake is one of the jewels of the region. Past few years it has witnessed decreasing water levels, causing harm to aquatic life. Jawahar Foundation understood this issue, took immediate action and installed a tubewell at the lake.
