## FROM THE FOUNDER'S DESK

Dear friends,

Jawahar Foundation soon completes three years of continued service to the different sections and people of Rajasthan. As more and more people join us in the development work, we wanted to go a step ahead and create a community of our supporters through a donation portal inviting people to sponsor a meal for someone visiting our Swabhiman Bhoj centres.

As the foundation continues to ring in donations, big or small, we believe that our biggest win has been the number of people who've donated. These people have shown trust in our work and our abilities to do good for the society.

2022 had a warm beginning as we distributed over 3,000 sweaters amongst different sections of the society. We made sure that the elderly, the kids, the poor, and the differently abled received these sweaters to fight the cold wave.

I want to thank all of you on behalf of the Jawahar family for the appreciation and support you have shown throughout. The Swabhiman Bhoj program has now served over 1,20,000+ meals! Our goal is to reach 1 cr meals and we will accomplish that very soon.

Operating in a diligent, organised manner, the foundation has been scaling its work to upgrade the overall quality of life of the regional people. My aim is to provide education, access to food, and healthcare to those living in the extremities right now. I request you to support us and our work through social media and word of mouth. This will help us reach more beneficiaries and supporters.

# Mass Distribution of Sweaters to Fight the Cold Spell

The winters hit a record-breaking low making it difficult for the deprived ones to survive. In addition, Covid has left most BPL homes devoid of the disposable income to invest in warm clothing. Hence, the foundation decided to distribute 3,000 sweaters in different parts of Rajasthan.

The distribution happened in phases. The first phase of distribution happened at the three Swabhiman Bhoj centres where sweaters were distributed amongst the kids, the elderly, the poor, and the differently-abled. In phase two, the foundation visited government schools in and around Banswara and distributed the sweaters amongst students. Students at these schools are usually from economically-challenged backgrounds. In phase three, the distribution took place amidst the MTS workers of RSWM Ltd. ■

## On Founder's Birthday, Swabhiman Bhoj Centres Got into the Celebration Mode

This year, January 13th was celebrated with much vigour as the Swabhiman Bhoj centres prepared to host visitors throughout the day. On the occasion, each centre was decorated with flowers to welcome people for morning tea and breakfast.

This was followed by a special lunch and soon after, the centres began serving evening snacks. In harsh January winters, the day-long meal and tea service brought huge smiles on the faces of those who visited.

In line with our program, all these meals were charged a standard one rupee. Each Swabhiman Bhoj centre serves mid-day meals to approximately 300 people every day. Hoardings were put up at each centre a week in advance to invite people for the special day. ■

## “Donate A Meal” Campaign

The Swabhiman Bhoj program gained popularity not only amongst the beneficiaries but also a large section of people that wanted to become part of the initiative either by donating raw material for the meals or sponsoring the meals itself. To build a more inclusive approach to serving the society, the foundation launched a donation portal on its website encouraging people to donate just one meal for someone visiting the Swabhiman Bhoj centres. ■

## Swabhiman Bhoj Completes 1,20,000+ Meals

The community kitchen program operating out of three centres in Ajmer, Bhilwara, and Banswara has completed 1,20,343 meals served to date. The program was launched in August 2021 to bridge the gap caused by high food inaccessibility in some regions of Rajasthan.

The program has been serving freshly made wholesome meals to the hungry and the needy for Re 1 each every day. ■
