FROM THE FOUNDER'S DESK

Dear friends,

I am very happy to share with you that this month we could do our bit for our specially-abled friends in society. During a two-day camp organised in Banswara, we distributed over 400 wheelchairs, prosthetic legs, and other aids for mobility.

A huge news came through Rajasthan Budget which announced free water, electricity, and space allocation to NGOs working for food availability in Rajasthan by providing food to the hungry for free or at nominal prices. This helps us expand the Swabhiman Bhoj program with renewed vigour and minimal obstacles. Soon, we will be opening up 10 more community kitchens around Rajasthan.

This month, we also had the honour of helping out a girl with her wedding expenses.

I want to thank all of you on behalf of the Jawahar family for the appreciation and support you have shown throughout. The Swabhiman Bhoj program has now served over 1,50,000 meals!

Operating in a diligent, organised manner, the foundation has been scaling its work to upgrade the overall quality of life of the regional people. My aim is to provide education, access to food, and healthcare to those living in the extremities right now. I request you to support us and our work through social media and word of mouth. This will help us reach more beneficiaries and supporters.

HEALTH & SANITIZATION

400+ Specially-Abled were Donated Wheelchairs and Other Aids

A two-day camp for the handicapped was organised at the Apna Parivar Foundation, Banswara in association with Jawahar Foundation.

During the camp, hundreds of people with disabilities were donated special tricycles, wheelchairs, and other equipment to help with their mobility.

A special team from Bhagwan Mahaveer Viklang Sahayata Samiti was called in from Jaipur for the Jaipur Foot technology. The Jaipur foot, also known as the Jaipur leg, is a rubber-based prosthetic leg for people with below-knee amputations.

The program was attended by Somnath Mishra, IAS; Ankit Kumar Singh, Collector; Rajesh Meena, SP; and Rajnish Verma, OSD, Jawahar Foundation. ■

FOOD SECURITY

Swabhiman Bhoj Completes 1,50,000 Meals

The community kitchen program operating out of three centres in Ajmer, Bhilwara, and Banswara has completed 1,50,000 meals served to date. The program was launched in August 2021 to bridge the gap caused by high food inaccessibility in some regions of Rajasthan. The program has been serving freshly made wholesome meals to the hungry and the needy for Re 1 each every day. ■

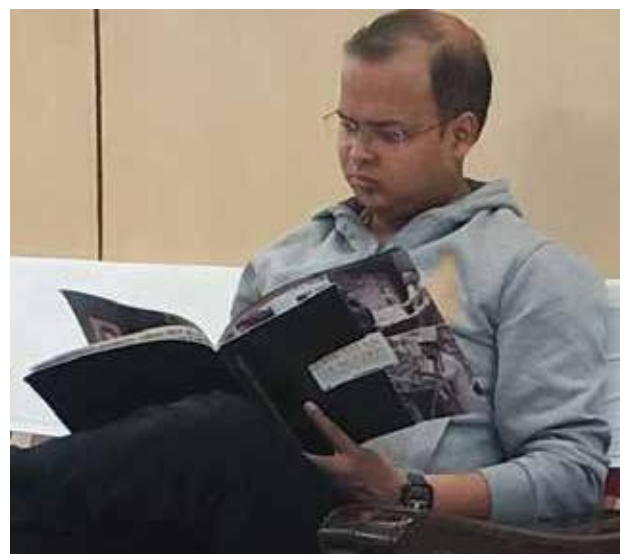

District Magistrate Ashish Modi Felicitated

Bhilwara city's District Magistrate Mr. Ashish Modi (IAS) was felicitated by Jawahar Foundation's OSD Rajnish Verma at the magistrate's office, welcoming him for his new assignment.

In the meeting, Mr. Modi eagerly understood the different programs that the program is running in Rajasthan and the benefits being provided to the people of Bhilwara especially. ■

₹51,000 Donated to Facilitate Girl Child's Marriage

The foundation made a donation of ₹51,000 to help out with the wedding expenses for a girl with challenged means. In small villages and towns, thousands of girls and their fathers fear the wedding day for the financial burden it carries. The donation helped the girl's family carry out the wedding with ease by financing the rituals. ■
